

Your partner for machine tools

*Special interest: Grinding and Sharpening machines
Machining centers and CNC lathes
Laser Cutting Machines*

Dear visitors,

Company Werkzeugmaschinen Eble is your flexible, competent and reliable partner with a lot of experience for used grinding and sharpening machines

We offer you a comprehensive selection of sharpening machines and equipment suitable for the manufacturing and maintenance of cutting tools and saw blades.

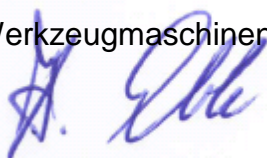

- HSS Saw blade grinding machines
- TCT Saw blade grinding machines
- Bandsaw machines
- Tool and cutter grinding machines
- Surface grinder
- Cylindrical grinding machines
- Knife grinding machines
- Drill grinding machines
- Laser Cutting Machines
- Machining centers and lathes

We recondition and modernize used machines thoroughly and offer them with warranty.

We are looking forward to hearing from you.

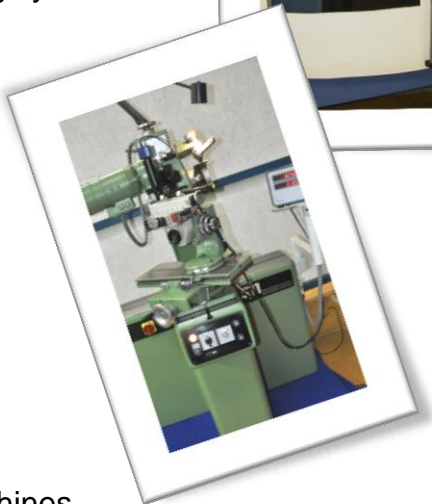

Best regards.

Werkzeugmaschinen Eble

Bernhard Eble

PS.: We are interested in purchasing your used machines.

#1362 5 Achsen Bearbeitungszentrum DMU 50 eVo

manufacturer: DMG
type: DMU 50 eVo

number of axis: 5

control: MillPlus
traverse path in X: 500 mm
traverse path in Y: 420 mm
traverse path in Z: 380 mm

#1390 Bearbeitungszentrum DMU 50 eVo

manufacturer: DMG
type: DMU 50 eVo
year: 2004
number of axis: 3

control: MillPlus iT
traverse path in X: 500 mm
traverse path in Y: 420 mm
traverse path in Z: 380 mm

#1402 5 Achsen Bearbeitungszentrum DMU 125 P hi-dyn

manufacturer: DMG
type: DMU 125 P hi-dyn
year: 2001
number of axis: 5

control: MillPlus
traverse path in X: 1.250 mm
traverse path in Y: 880 mm
traverse path in Z: 800 mm

#1430 Vertikal Bearbeitungszentrum DMC 635 V

manufacturer: DMG
type: DMC 635 V
year: 2006
number of axis: 4

control: Siemens 840 D
traverse path in X: 635 mm
traverse path in Y: 510 mm
traverse path in Z: 460 mm
